Subject: part 1 - RtC document - RE Rule
Attachments: RE response to comments 6817_part1.docx

Hi everyone,

Here are the first 20 pages of the response to comment document for the RE rule. You will see that there are blank sections that have no comments or responses. Please do not read this that I have no information for these, but rather that they are not as well organized as I would like and the response is in process and/or can be taken from the approved responses in the Prioritization RtC document.

More to come tomorrow...

Susanna
